Dear Ilima Intermediate School Families,

As we enter the final quarter of the school year, I want to take this opportunity to discuss our commitment to a positive and productive learning environment for all students. High expectations for academic achievement and student conduct go hand-in-hand at Ilima Intermediate.

This year, we are implementing a new initiative focusing on student accountability. To ensure a successful conclusion to the school year and celebrate the achievements of our students, we are enforcing a zero-tolerance suspension policy for the 4th quarter.

This means any student who receives a suspension during this period will be ineligible to participate in end-of-year activities, including:

- 7th Grade Class Day
- 8th Grade Banquet
- 8th Grade Graduation Ceremony

We understand that unforeseen circumstances may arise. However, we believe this initiative will encourage students to make responsible choices throughout the final quarter. Our teachers and staff are committed to providing support and resources to help students succeed both academically and behaviorally.

We encourage you to discuss this policy with your child and work with us to ensure a positive and rewarding end to the school year.

Thank you for your continued support.

Sincerely,
