Dear Ilima Intermediate School Families,

At Ilima Intermediate School, we are committed to ensuring the safety and well-being of all our students. As part of our efforts to maintain a secure and supportive environment, we have partnered with our local HPD District 8 - Weed and Seed Officers, along with a representative from the Attorney General's office, to hold important Grade Level Team Assemblies this October.

The assemblies will focus on key topics such as:

- Bullying and Cyberbullying
- Inappropriate Use of the Internet and Social Media
- Vaping
- Drugs
- Awareness of Sex Trafficking
- Physical Altercations

We believe these subjects are critical to address, given the challenges our students may face both online and offline. Our goal is to provide students with the tools and knowledge they need to navigate these issues responsibly and safely.

The assemblies will be conducted by Grade Level Teams, with two teams participating on October 4, and the remaining teams attending after Fall Break.

As always, we believe in working together as a school community to keep our students safe and informed. If you have any questions or concerns about these assemblies, please feel free to contact me directly.

Thank you for your continued support.

Sincerely,
